

Hydro Pensioners Association of Ontario

HPAO Districts

Pensioners, you're invited to join us!

We are the **Hydro Pensioners Association of Ontario (HPAO)**, a not-for-profit organization that was incorporated in 2010. Membership is open to all pensioners of Ontario Hydro and its successor companies including Hydro One, Ontario Power Generation (OPG), the Electrical Safety Authority (ESA) and the Independent Electricity System Operator (IESO).

Our Association encourages retirees to stay in touch with Hydro friends and co-workers, promotes the well-being of pensioners & their family and facilitates sharing important information with them. The HPAO is divided geographically into Districts across the province and many of them offer free membership while others have a nominal annual fee. Each one typically hosts a number of events and various social activities every year.

To join us or if you have any questions, please refer to the chart below and contact the District that is most convenient or closest to your home location. Make sure to include your full name, mailing address, phone number and the name of the successor company you retired from (*e.g. Hydro One, OPG, etc.*). For other general enquiries, comments or suggestions, please contact HPAO's Provincial Council team at: HPAO.Main@gmail.com
